Introducing Professor Mohammad Ghazal: A True Leader and Scholar

Prof. **Mohammed Ghazal** earned his Ph.D. and **M.Sc.** in Electrical and Computer Engineering from Concordia University, Canada, in 2010 and 2006, respectively. He was awarded an Alexander Graham Bell Fellowship from NSERC and QFRNT from the Government of Quebec. He earned his **B.Sc.** in Computer Engineering from the American University of Sharjah, where he received the President's Cup and the Ministry of Education's Shield for Creative Thinking.

Prof. Ghazal is the Director of the Research Institute for AI and Emerging Technology, the Associate Dean of the College of Engineering at Abu Dhabi University, and a Professor and Chairman of the Department of Electrical, Computer, and Biomedical Engineering. He has received numerous awards, including AED 1M from the UAE Prime Minister's Office for an innovative mobile app during the Government Summit, regional and international top places in QS Reimagine Education, the distinguished Faculty Award from Abu Dhabi University, and the Abu Dhabi University Research Fellow. He was also inducted into the American University of Sharjah Hall of Fame by HH Sheikh Sultan Al Qasimi. He consulted for UNESCO and the Ministry of Education on AI Education. His work has been featured on CNN, BBC, The National, and other national and international news outlets.

He has an h-index of 42 and is the author of over 350 Scopus publications in Artificial Intelligence, Computer Vision, and the Internet of Things. He's published in Scientific Reports, Elsevier's Renewable and Sustainable Energy Reviews, IEEE Transactions on Biomedical Engineering, IEEE Transactions on Image Processing, IEEE Transactions on Circuits and Systems for Video Technology, and IEEE Transactions on Consumer Electronics. He is an IEEE Senior Member, a Senior Fellow of Advance HE, and an ABET program evaluator for the Engineering Accreditation Commission for Computer Engineering and Telecommunication Engineering. He has attracted millions in research grants over the years and mentored students who have gone on to win numerous national and international competitions.
