### Orientation Day for New Students

At **Abu Dhabi University** we had an exciting and original Orientation Day yesterday for new students!

- Outdoor Activities: Yes, we celebrated Orientation Day outside in the open air.
- Student Clubs: Yes, there were fun activities organized by student clubs.
- Resources Available: Yes, we provided all the important resources for new students, like IT support and accommodation information amongst many others.
- International Activities: Yes, we offered a taste of international activities to make everyone feel welcome.

New students will have many opportunities to grow and learn. We are committed to providing the best learning experience, with access to knowledgeable faculty, modern facilities, and a diverse community. Students will make new friends, participate in exciting activities, and discover resources that will help them succeed in their studies and beyond.

We wish our new students a good start for their journey at Abu Dhabi University!

I would like to thank the Deanship of students affairs, Dean **Shakib Farhat**, Ms **Roula Qasem**, Students Council, and all volunteering students for the great efforts, leadership, and dedication.
