Celebrating Emirati Day for Education

On this joyous occasion of Emirati Day for Education, we extend our heartfelt wishes to all educationalists across the globe especially those in the UAE. Declared by His Highness the President of the UAE 🇦🇪, this day serves as a reminder of our commitment to fostering a knowledge-based society where every individual has the opportunity to thrive.

As we celebrate the pivotal role of education in shaping our future, let us honor the dedication and passion of educators who inspire and empower the next generation.

Educators play a noble role in shaping the minds and futures of their students. They inspire, challenge, and guide individuals to reach their fullest potential. Their dedication and passion for teaching are vital in fostering a culture of knowledge, innovation, and progress.

I would like to take this opportunity to wish our educators at ADU and our sister college, Liwa College, every success and prosperity.

Together, let us continue to cultivate a culture of learning and growth, ensuring a brighter tomorrow for all.

"Our place in the future will be determined by education, our status among nations will be shaped by education, and reaping the rewards of development and progress will be made possibly solely by education."

His Highness Sheikh Mohamed bin Zayed Al Nahyan, President of the UAE

Happy Emirati Day for Education! 🇦🇪
