🏆 I'm speaking at the QS Higher Ed Summit: Middle East 2025!

The QS Higher Ed Summit: Middle East 2025 will be held on 20-22 April 2025 at Gulf University for Science & Technology, Kuwait, bringing together global higher education leaders to discuss the evolving role of universities in shaping Society 5.0. I am delighted that as a chair of the QS Global Advisory Committee for the Middle East I will be making opening remarks about the subject area.

This year's theme, "Society 5.0: Higher Education and Skills for a Human-Centred Future", will explore how universities can drive equitable growth, foster critical thinking, and bridge skills gaps while ensuring people remain at the core of technological and industrial advancements.

As a speaker for the Summit, I have been given the opportunity to offer my network 30% off tickets. Simply apply the code "QS_ME2025_SPEAKER_NETWORK" at checkout to claim this offer. Register here: <https://lnkd.in/dFs-aN5a>
