Advance HE Fellows

I am very pleased that our total number of Fellows, Senior Fellows, and Principal Fellows of the prestigious **Advance HE** has reached 92, including three Principal Fellows: Dr. **Sreethi Nair**, Dr. **Mohammed Razik Parakandi**, and **Dr. Muhammad Usman (PhD, CFCIPD, PFHEA, SFSEDA, SMIEEE, CMBE)**. We also have a good number of colleagues who are waiting for the decision on their applications. We are working very closely with Advance HE on a strategy to help all our faculty achieve their professional recognition.

Advance HE is a UK-based, member-led, sector-owned charity that partners with higher education institutions around the world to improve higher education for staff, students, and society.

I sit on the Advance HE Leadership and Management Strategic Advisory Group. I am also on the Steering Group that is developing a new and exciting framework for leading in higher education, which will be released in the foreseeable future.

Many thanks to my colleague Dr. **Mohammad Fteiha**, who is currently leading the work on the Advance HE collaboration. This position was previously held by my colleague Prof. **Montasir Qasymeh**.
