Celebrating Success at the QS EduData Summit 2025

We concluded last night a very successful QS EduData Summit 2025 in Singapore, capped off with a delightful dinner hosted by ADU. A heartfelt thank you to the fantastic QS team for their hard work and to AUM Kuwait for their tremendous support. I would also like to express my gratitude to my esteemed colleague, **Steve DCunha**, for his outstanding leadership and invaluable assistance throughout the event. Many thanks to Dr **Ashwin Fernandes** for his inspiring leadership and for giving us the opportunity to host this dinner.
