ICASF 2025 – International Conference on Advancing Sustainable Futures

December 9–11, 2025 | 📍 Emirates Palace, Abu Dhabi

Under the patronage of His Excellency Sheikh Nahyan bin Mubarak Al Nahyan

As Chancellor of **Abu Dhabi University** and Advisor to ICASF 2025, I am pleased to announce the upcoming International Conference on Advancing Sustainable Futures (ICASF), to be held from 9–11 December 2025 at the distinguished Emirates Palace in Abu Dhabi.

At the outset, I extend my sincere gratitude to all our national and international partner universities and organizations. Your collaboration and support are deeply appreciated, and we value your ongoing commitment to advancing sustainability and innovation.

I would like to acknowledge the contributions of the following esteemed partners:

IREG Observatory on Academic Ranking and Excellence, Arab Universities Knowledge Network for Climate Change and Carbon Footprint (AUKNCCF), Liwa University, IEREK Conferences, Springer, Arab Council for Social Responsibility, Association of Arab Universities, UN PRME, University of International Business and Economics (UIBE), Heriot-Watt University, Environment Agency – Abu Dhabi (EAD), ARAB ECONOMIC AND BUSINESS JOURNAL (AEBJ), Holy Spirit University of Kaslik - USEK, Technische Hochschule Mittelhessen, Lancaster University, The Chartered Institute of Building (CIOB), Eindhoven University of Technology, University of Naples L'Orientale, Emirates Scholar Research Center, Emerald Group Publishing, Shanghai Stemstar Education technology, USP - Universidade de São Paulo, University of Management and Technology - UMT, UAE Universities Climate Network, Polytechnique Montréal University of Salamanca (Universidad de Salamanca) North China Electric Power University CDC eebc European Electrical Bus Company GmbH University at Albany and the Institute of Management Accountants (IMA).

Organizations interested in partnership or sponsorship opportunities are invited to contact us at icasf2025@adu.ac.ae.

Under the theme "Shaping the Future: Synergies Between Nature, Technology, and Society," ICASF 2025 promises to be an exceptional forum for advancing sustainable thought leadership on a world stage. It will prove to be a vital platform for scholars, industry leaders, and policy experts to share insights, advance knowledge, and drive global dialogue on sustainability and future-ready development.
