QS EduDataSummit 2025: Thank You [Monica Hornung Cattan](#)

Attending the QS EduDataSummit 2025 in Singapore, hosted by the [American University of the Middle East \(AUM\)](#), was an incredibly rewarding experience. I gained invaluable insights from our colleagues and experts, and it was a pleasure to connect with so many professionals from around the globe.

I am particularly grateful to the QS team for organizing such a successful summit. In this photo, I am with my inspirational colleague, [Monica Hornung Cattan](#), who serves as the Global Director of Strategic Partnerships and Engagement at QS. Monica's dedication and vision in fostering global educational partnerships are truly commendable.

Having women leaders like Monica in our sector is vital; they bring diverse perspectives and innovative solutions that drive progress. Her ability to inspire and engage others in meaningful discussions is one of the many reasons I look forward to every QS conference. It has become a tradition for me to take a picture with her at these events and share it on [LinkedIn](#).
