The Countdown Has Begun: 2025 Graduation Ceremonies

Next week, from Tuesday, June 10, to Friday, June 13, I will have the honor of presiding over eight graduation ceremonies. I can't wait to witness the joy on the faces of our graduands (who officially become graduates upon receiving their academic degrees) as well as their families and friends.

Graduation ceremonies are a significant milestone in the academic calendar, symbolizing the culmination of years of hard work, dedication, and perseverance. For faculty, these events are not just a formality; they represent the successful journey of our students and the impact of our teaching. Seeing our students graduate is immensely rewarding, as it reflects our commitment to their education and personal growth.

These ceremonies provide a unique opportunity to celebrate achievements, foster community spirit, and inspire future generations. As we gather to honor our graduates, we also reinforce the bonds formed within our academic community, making these moments truly unforgettable.

Let's celebrate together!

Many thanks 🙏 to Mr **Bassam Mura, MBA** and his team for leading the preparation.
