ADU's 20 New Academic Programs

As we navigate an increasingly complex and dynamic world, the need for academic programs that align with contemporary societal and technological demands has never been more critical. Abu Dhabi University (ADU) recognizes this imperative and proudly announces the launch of 20 new academic programs for the Fall Semester of 2025/2026. These programs, recently approved by the Commission for Academic Accreditation in the UAE, encompass a diverse range of disciplines, including International Relations, Law, Education, Artificial Intelligence, Cybersecurity, and Renewable Energy amongst many others. These programs will produce graduates who meet market demands:

Undergraduate Programs

1. BA in International Relations
2. BA in Psychology
3. BA in Video Game Design
4. BSc in Artificial Intelligence Engineering
5. BSc in Renewable and Sustainable Energy Engineering
6. BSc in Clinical Psychology and Mental Health

Master's Programs

7. MSc in Cybersecurity
8. MSc in Artificial Intelligence
9. MSc in Strategic Digital Transformation
10. MSc in Financial Technology
11. MA in Digital Communication and Technology
12. Master of Education in Educational Technologies and Artificial Intelligence
13. Master of Law in Cyberlaw and Artificial Intelligence
14. Master of Public Health
15. MSc in Clinical Psychology and Mental Health
16. Master of Arts in Applied Behavior Analysis

PhD Programs

17. PhD in Law
18. PhD in Education
19. PhD in Engineering Management
20. PhD in Intelligent Systems Engineering

These offerings are designed to empower students with the knowledge and skills necessary to thrive in various sectors, addressing pressing challenges such as climate change, digital transformation, and mental health. By focusing on both undergraduate and graduate degrees, ADU is committed to producing graduates who are not only well-versed in their fields but also equipped to contribute meaningfully to society and the economy.

Looking forward, the introduction of these 20 new academic programs positions Abu Dhabi University as a leader in higher education, responsive to the evolving needs of the labor market and society at large. As we continue to foster innovation and interdisciplinary collaboration, our graduates will emerge as competent professionals ready to tackle global challenges. By prioritizing the development of relevant skills and knowledge, ADU is not just shaping the future of its students; it is also contributing to the broader goal of advancing sustainable and inclusive growth within the UAE and beyond. The pathway ahead is bright, and together, we will pave the way for a prosperous future.
