## An Unforgettable Finale

What a remarkable conclusion to our graduation week! Yesterday, Abu Dhabi University held the final two ceremonies for our exceptional graduates from the College of Business and the College of Arts, Education, and Social Sciences—and the atmosphere was electric!

These events weren't just graduations; they were a vibrant celebration of resilience, creativity, and the unyielding spirit of ADU. The venue was alive with pride as graduates, families, and faculty exchanged tears, laughter, and countless proud selfies. Each cap thrown into the air represented years of dedication, late-night study sessions, and dreams becoming reality.

With eight ceremonies conducted over the past week, we proudly welcomed 1,130 new graduates into the world—future leaders, change-makers, and visionaries ready to make their mark. This achievement expands our global alumni network to over 33,000, reflecting ADU's lasting legacy of excellence.

A heartfelt thank you to the amazing team that made this possible: VC Dr **Hamad Odhabi**, Provost **Professor Barry O'Mahony**, Dean **Sreethi Nair**, Mr. **Bassam Mura, MBA**, Ms. **Noor Al Masri**, Mr. **Zulfiqar Ali**, Mr. **Sameer Jaradat**, Mr. **Waleed Abdelrahman, MBA**, Ms. **Soha Abu Moussa**, Ms. **Aseel Fathallah Agha**, and every staff member, volunteer, and MC who worked tirelessly behind the scenes. Your commitment transformed these ceremonies into unforgettable moments for our graduates.

To the Class of 2025—your journey is just beginning.
