

Celebrating Excellence: Abu Dhabi University Shines in the Top 20 LinkedIn Influencers in the UAE for 2025! 🌟

I am deeply honored and proud to share that **Abu Dhabi University** has achieved remarkable recognition in the Top 20 **LinkedIn** Influencers in the UAE 🇦🇪 for 2025 produced by **Favikon**.

Not one, but TWO of our university community members have been recognized:

- 🌟 Myself at #10 - representing our commitment to higher education leadership
- 🌟 **Dr. Rahaf Ajaj, CSci, SFHEA** at #16 - showcasing our faculty's exceptional expertise and global impact

🏆 What This Means for Abu Dhabi University:
This dual recognition demonstrates our institution's commitment to:

- Fostering thought leadership across all disciplines
- Supporting faculty who drive meaningful global conversations
- Creating an environment where innovation and engagement thrive
- Building bridges between academia and real-world impact

Please check the link below to see some very prominent names listed, and it is an honor and a privilege for me and my esteemed colleague Dr Rahaf to be included:

As Chancellor, I'm committed to continuing to build an environment where our faculty and students can engage meaningfully with global challenges and leverage digital platforms for education, research dissemination, and positive impact.

To our faculty, staff, students, alumni, and partners: This recognition shows that your voices matter on the global stage. Continue to share your expertise, engage authentically, and drive conversations that shape our future. The future of higher education lies in this kind of meaningful engagement with society's most pressing challenges. 🚀

Congratulations 🎉🎊🎈 ADU and Dr Rahaf, I am so proud of you and the excellent work of the **College of Health Sciences - Abu Dhabi University** headed by Dr **Sofyan Maghaydah**

What aspects of academic thought leadership do you find most impactful? I'd love to hear your perspectives! 📌
