Excited to Speak at the Global Family Office Investment Summit

I am truly honored to be invited to speak at the 26th edition of the Global Family Office Investment Summit, taking place in Cannes from June 26th to 27th. It's a wonderful opportunity to share the stage with my good friend **Elena Rakhimova رحيم** **Investment Sniper in ESG-DeepTech**, a renowned international leader in her field. A heartfelt thank you to **Anthony Ritossa** (summit host and founder of Global Family Office Investment Summits) for his kind invitation; his ability to attract such an impressive lineup of guest honorees, international speakers, and investors is truly inspiring.

My participation will focus on fostering a level of dialogue and action. I will be part of a panel discussion titled "Philanthropy, Impact & Socially Responsible Investment Opportunities," where I aim to contribute an academic perspective to the conversation.

I look forward to a fantastic summit, reconnecting with old friends, and making new connections.
