Exciting News: Prestigious Award

We're honored to share that the Academic Success Center (ASC) at ADU has been awarded the prestigious **Sharjah Award for Voluntary Work** جائزة الشارقة للعمل التطوعي under the Private Sector category for Best Voluntary Initiative by His Highness Sheikh Sultan bin Mohammed bin Sultan Al Qasimi, Crown Prince and Deputy Ruler of Sharjah! 🏆 ✨

Out of 292 entries, only 27 were selected — and we're proud to be one of them. This recognition is a true celebration of the incredible commitment, heart, and hard work of our student volunteers and the entire ASC team.

ASC started as a vision under the College of Arts, Education and Social Sciences (CAESS), and this milestone reminds us how far we've come — from an idea to an award-winning student-led initiative.

This award belongs to the student volunteers who continue to give their time, energy, and hearts so generously. We're proud of what we've achieved — and even more excited for what's to come.

I am grateful to the leadership of Dean **Sreethi Nair** and colleagues **Duha Lababidi** and **Deenaz Kanji** and the great work of our students.
