New Master of Science in Healthcare Leadership Approved

I am pleased to announce that a new Master of Science in Healthcare Leadership has been approved by the **Commission for Academic Accreditation**. This program is strategic for the University and aligns with significant needs in the UAE and beyond. Many thanks to Dean Dr. **Sofyan Maghaydah** and all colleagues in the College of Health Sciences and College of Business who worked hard on these programs, as well as to **Dr. Mohammed Razik Parakandi**, Director of Accreditation. This brings the total number of new programs approved by the CAA in the last few months to 21.

This remarkable achievement is a testament to the visionary leadership of our Chairman, Dr. Ali Bin Harmal Aldhaheri, Ph.D, as well as the tireless efforts and dedication of our faculty, staff, and industry partners.

I would also like to take this opportunity to acknowledge the great work of our Ministry of Higher Education and Scientific Research, as well as the CAA, in transforming higher education in the UAE. We are all committed to their vision and state-of-the-art guiding strategies.

Stay tuned for more academic programs to be approved, as we are on a mission to develop offerings that respond to the needs of the marketplace in the UAE and beyond.
