The **QS Quacquarelli Symonds** Africa Summit 2025 has been concluded. It was a great summit learning more about the opportunities and challenges facing the higher education sector in Africa. Many thanks to **Jason Newman**, Dr **Ashwin Fernandes** and the fantastic QS team. The **Modern College of Business and Science** Oman was a perfect co-host under the leadership of Dr Muneer Al Maskari, Executive Chairman, and Dr **Aisha Al Kharusi**, Deputy Executive Chairman. The MCBS team was amazing. Zanzibar as a location for the summit was a perfect place. Yesterday, I was part of a panel discussion titled "Bridging the Gap: Translating Research into Real-World Impact", moderated by **Aisha Al Kharusi**.
