Dear Colleagues,

As Chair of the QS Global Advisory Committee for the Middle East overseeing the QS Higher Ed Summit: Middle East 2025, which will be held from April 20-22, 2025, at **Gulf University for Science and Technology** in Kuwait, I encourage colleagues and friends to register and attend this exciting summit.

The final program for the summit will be released soon, featuring a fantastic lineup of eminent speakers and many interesting topics.

This year's theme, "Society 5.0: Higher Education and Skills for a Human-Centred Future," will explore how universities can drive equitable growth, foster critical thinking, and bridge skills gaps while ensuring that people remain at the core of technological and industrial advancements.

Don't miss this opportunity to engage with thought leaders and shape the future of higher education in the Middle East.

Spread the word and tag colleagues who would be interested in joining!

The 57th Annual General Meeting of the **Association of Arab Universities** will run back to back with the QS Higher Ed Summit, this will give Arab Universities Presidents or their representatives, the opportunity to attend both events. HE Prof **Amr Salama**, Secretary General of the Association is a speaker at the opening ceremony of the QS summit.

Kuwait 🇰🇼 is a wonderful place, and GUST is an amazing university.

Looking forward to seeing you in Kuwait
