Iftar with Law College Colleagues

Last night, I enjoyed Iftar (the meal to break the fast) with my colleagues from the College of Law. We also celebrated our first appearance for the law subject in the QS World University Ranking by Subject 2025, where we ranked 251-300 and were tied for first in the UAE. The evening was not just about good food but also a great chance for us to bond and connect better as a team.

The atmosphere was friendly and warm as we came together to share tasty food and meaningful talks. I want to thank Dean Prof **Talaat Dowidar**, Head of Department Dr. Dina Imad Joumblatt, Ph.D. and everyone else who joined us. Your leadership and kindness made this event truly special and unforgettable. Events like this help us grow closer and work better together, reminding us how important unity and teamwork are in our mission.

We also took a moment to say goodbye to our colleague **Mahra Obaid** who is leaving the College.

The College of Law started accepting applications for 2 new programs, namely PhD in Law, and Master of Law in Cyberlaw and Artificial Intelligence
