Meeting with Bright Path Corporate

Last night, I had the pleasure of having Iftar with an esteemed group of passionate leaders including Dr. **Elham Chehaimi, Ph.D**, Founder of Bright Path Corporate and a Board Member of the Lebanese Business Council in Abu Dhabi; HE Mohammad Rahal, the Former Minister of Environment in Lebanon; and Dr. **Charbel E Abi Akl, PhD**, the President of the **Lebanese Business Council in Abu Dhabi**. Dr. Faiza Zitouni PhD, FHEA, PFHEA, Dean of Student Affairs at **Liwa College**, was also present.

During our engaging discussion, we delved into various sustainability issues. Dr. Elham is a passionate advocate for sustainability and is actively promoting green initiatives on LinkedIn through insightful videos. We also explored potential collaboration opportunities between our institutions, which could lead to impactful projects in the future.

Ramadan is indeed the perfect month to reconnect with old friends and to forge new relationships. I look forward to what lies ahead!
