Celebrating Community Contributions in the UAE!

In line with the UAE's "Year of Community" in 2025, Abu Dhabi University (ADU) is proud to announce our partnership with the **The Authority of Social Contribution - Ma'an** on a transformative Community Contribution project in Al Mafraq. This collaboration aligns with Ma'an's 'From the Community to the Community' initiative, commemorating the tangible impact of community contributions and recognizing the authority's partner-led projects.

The project features a building spanning 4,300 m² with a total investment of AED 9.5 million. It incorporates a sustainable funding model designed to support deserving students throughout their academic journeys.

We were honored to have H.E. Abdullah Al Ameri, Director General of the Authority of Social Contribution—Ma'an, along with the Ma'an team, attend the milestone event, which is now 30% complete.

Many thanks to our colleagues in the Community Relations Office, Mr. **Salem Aldhaheri** and **Dr. Sarah Al Sakkaf Al Hashimi - CFRE** for their great efforts.

Together, we are making a lasting impact on our community and empowering future generations.
