## The THE Eurasia Universities Summit 2025

I am pleased to announce that I will be speaking at the THE Eurasia Universities Summit in Baku, Azerbaijan, on the 24-25 September 2025 (Transnational research: from knowledge to global impact). The THE Eurasia Universities Summit 2025 will bring together university leaders, policymakers and researchers from across Europe and Asia to explore how transnational research can drive social and economic progress. Hosted in partnership with the Ministry of Science and Education of the Republic of Azerbaijan and the State Agency for Science and Higher Education, this landmark gathering will provide a platform for collaboration, innovation and transformative impact.

With a core focus on transnational research, the summit will explore how academic discovery can be turned into real-world solutions that address today's most pressing global challenges. Delegates can expect inspiring keynotes, interactive panels, intimate discussions and unparalleled networking.

Join us in Baku to be part of this unique gathering that will help shape the future of higher education and research across both continents.
