Career Fair 2025: A Resounding Success!

The **ADU Office of Employability and Alumni Relations** proudly concluded another successful Career Fair for 2025, welcoming over 78 leading employers and hundreds of students and alumni eager to network, connect, and actively pursue job and internship opportunities. More than 1,000 jobs and internships were offered, with hundreds of applications submitted on the spot.

This impressive milestone was made possible through the tireless efforts of **Tarek Ali**, our Employability and Alumni Relations Officer, along with the incredible support from our ADU Office of Employability and Alumni Relations Team, including **Suzan Hammo** and **Afra Alhameli**.

Our dedicated students, known as Career Advocates, played a crucial role in making this event a triumph. Led by **Mohammad Alzubaidi** and **Sarah Saker**, they worked diligently to ensure everything ran smoothly.

A special thank you goes to my esteemed colleague, **Nada Heggy, M.Ed., Ph.D**, who heads the Employability and Alumni Relations Office at ADU, for her exceptional leadership and vision.
