## College of Health Sciences Alumni Reunion

Here we are again, uniting our alumni community for the second reunion of the year, dedicated this time to the College of Health Sciences! We were proud to welcome over 200 attendees, including alumni, faculty, and strategic partners, all gathered to celebrate the achievements of our College of Health Sciences graduates and to strengthen the connections that continue to shape the future of healthcare.

This memorable evening would not have been possible without the incredible teamwork and dedication of our outstanding Career Advocates Team, led by **Mohammad Alzubaidi** and **Sarah Saker** who worked tirelessly to make this event a success. I am also grateful to **Nemanja Krstic**, Manager of Sports and Wellness at ADU, and his team for organizing the engaging game that generated a lot of energy.

Our dynamic MCs, **Haneen Al Issa** and **Zaina Al Riahi** kept the energy high and the conversations flowing throughout the evening.

We extend our gratitude to our inspiring panelists—Ali Mohamed, Tuahir Hassan, **Hala Sukkar**, Asmah Alsaeed, and Maryam Alhadhrami—who shared their valuable insights, experiences, and success stories.

Thanks are also due to the team from the **ADU Office of Employability and Alumni Relations** Alumni Relations, including **Abdelrahman El Ghoul** and **Suzan Hammo**.

A special thank you to **Dr. Rania Al Dweik, PhD, FHEA, RPh** for her contributions.

And, of course, a heartfelt thanks to our esteemed alumni who attended in great numbers and spirit to celebrate, reconnect, and inspire one another.

We appreciate the leadership of Dean Dr. **Sofyan Maghaydah** and his colleagues in the College of Health Sciences, Dean Dr. **Shakib Farhat**, the inspirational **Nada Heggy, M.Ed., Ph.D**, Senior Manager for Employability and Alumni Relations, and all other team members in Students Affairs and other departments in the University.

Thank you all for making this another successful milestone in our alumni engagement journey!
