Exciting Collaboration with **Rahim Invest** 🇨🇭 **رحيم للاستثمار**

Yesterday, we had the pleasure of hosting **Elena Rakhimova** **رحيم** **Investment Sniper in ESG-DeepTech**, the founder of Rahim Invest, at ADU. She was warmly welcomed by me, VC Dr. **Hamad Odhabi**, Provost **Professor Barry O'Mahony**, Associate Provost **Prof.sherine Farouk**, and Mr. **Ibrahim Odhabi** from the International Office.

Rahim Invest, headquartered in Switzerland with a branch in Texas, is at the forefront of technology-related investments and various innovative initiatives. The company is dedicated to delivering superior returns in the DeepTech sectors while prioritizing ESG (Environmental, Social, and Governance) principles. This commitment not only drives financial performance but also contributes positively to society and the environment.

During her visit, we explored potential collaboration opportunities between Rahim Invest and ADU, as well as Elena's involvement in our future conferences. We are excited about the possibilities that lie ahead!
