## Town Hall Meeting Highlights at ADU Abu Dhabi Campus

On Wednesday, the ADU Abu Dhabi Campus held a productive town hall meeting for faculty and staff. The event began with a celebration of our collective achievements, acknowledging the hard work and dedication of our team. Following this, we engaged in a constructive dialogue where colleagues shared valuable insights on areas for improvement. Over 150 colleagues in attendance.

A special thanks to Ms. Allison Hope Hamilton MHRM, SHRM-SCP., Director of Talent Empowerment and Growth Department, for expertly moderating the panel discussion, as well as to VC Dr. **Hamad Odhabi** and Provost **Professor Barry O'Mahony** for their thoughtful contributions. During my speech, I addressed the 20 risks currently facing universities, which I will be sharing with you shortly to foster awareness and discussion.

I would also like to express my gratitude to Ms. **Khulud Abdallah**, Executive Office Operations Manager, for her assistance in organizing this meeting. I will be arranging a similar town hall for our colleagues at the Al Ain Campus soon.

"Collaboration is a key part of the success of any organization, executed through a clearly defined vision and mission and based on transparency and constant communication." -Dinesh Paliwal
