Exciting New Partnership with Université Hassan 1er, Morocco

Yesterday, I had the pleasure of signing a Memorandum of Understanding (MOU) with **Université Hassan 1er** in Settat, Morocco. The agreement was formalized in the presence of its esteemed president, Professor Abdellatif Moukrim, and Professor **RIYAD FAKHRI**, a Professor of Law and the Director of the Research Laboratory in Business Law at Université Hassan 1er, along with the senior leadership team and colleagues from the College of Law at ADU.

This MOU represents a significant step towards fostering collaboration in various areas, including research initiatives, joint conferences, faculty and student exchanges, and numerous other opportunities for engagement and growth. I am excited about the potential impact this partnership will have on our academic communities and the shared knowledge we will cultivate.

I would like to express my gratitude to Dr. Dina Imad Joulblatt, Ph.D. for initiating this invaluable opportunity. Additionally, I want to thank Acting Dean Professor **Talaat Dowidar** for his exceptional leadership and support throughout this process.

I look forward to a fruitful collaboration that will enrich both institutions and contribute to our collective goals.
