

Abu Dhabi University's College of Engineering Participates in ADIPEC 2023

In line with [Abu Dhabi University's \(ADU\) College of Engineering's \(CoE\)](#) mission to provide graduates with world-class education, the CoE is participating in ADIPEC 2023, the world's largest and most inclusive gathering for the energy industry. Throughout the event, the CoE will be showcasing its diverse range of programs, highlighting its latest innovations, creativity, and the transformative power of engineering in shaping a sustainable future. As an academic partner for the Young ADIPEC Pavilion, ADU's CoE is also exhibiting four groundbreaking engineering projects while hosting several sessions with focus on engineering topics relevant to ADIPEC.

ADU welcomes community members to visit and learn more about its distinguished programs at its stand in hall 14.
