

Abu Dhabi University Shines at Global Sustainable Development Congress 2024 in Bangkok

Abu Dhabi University (ADU) made a significant impact at the Global Sustainable Development Congress (GSDC) 2024, held from 10 – 13 June in Bangkok, Thailand. Represented by Prof. Sherine Farouk, Associate Provost for Academic Projects and Internationalization, ADU demonstrated its dedication to sustainability and digital transformation.

Organized by Times Higher Education, the GSDC 2024 focused on advancing sustainable development goals through education, research, and innovation. ADU proudly highlighted its initiatives with a dedicated booth, showcasing its commitment to these global objectives and its proactive stance in sustainable development and inclusive digital transformation.

Prof. Farouk was a prominent speaker at the congress, contributing to two insightful panel discussions. In the session "AI - Friend or Foe of Green Skills?", she explored the role of artificial intelligence in developing environmentally friendly skills. Additionally, her contribution to "No One Left Behind: Powering an Equitable Digital Revolution through Research and Innovation" emphasized ADU's efforts in promoting inclusivity and equitable access to digital advancements.

Through these engagements, Abu Dhabi University underscored its proactive stance in sustainable development and inclusive digital transformation.
