## BACHELOR OF ARTS IN INTERNATIONAL RELATIONS

## Program Overview

Embark on a transformative journey with our Bachelor of Arts in International Relations. This program is designed and curated to equip students with a comprehensive understanding of global politics, international economics, and diplomatic strategies and communication. Our curriculum blends theoretical knowledge with practical applications, preparing graduates for impactful careers in international affairs, diplomacy, and global policymaking.

The Bachelor of Arts in International Relations at Abu Dhabi University offers a comprehensive and transformative educational experience. The program features a well-rounded curriculum that covers essential areas such as global politics, international economics, diplomacy, and international law, ensuring students gain both broad and deep knowledge. With a strong emphasis on experiential learning, students engage in internships, field trips, and simulations of diplomatic negotiations, providing them with real-world experience and practical skills. Guided by expert faculty, students receive valuable insights and mentorship, while the culturally relevant curriculum focuses on the Middle East and its role in global affairs.

Research opportunities abound, allowing students to contribute to the field and develop critical research skills. The program fosters a global perspective, encouraging students to think critically about international issues and understand the interconnectedness of the world. Career preparation is a key focus, with graduates ready for diverse roles in diplomacy, international organizations, governmental and non-governmental organizations, global business, and academia. Additionally, the program prepares students for advanced studies in international relations, political science, law, public policy, and global studies. Networking opportunities with professionals in the field provide valuable connections and career prospects. Students benefit from state-of-the-art facilities and resources that support their learning and research activities. These unique features make the BA in International Relations at Abu Dhabi University a standout program for those aspiring to make a significant impact in global affairs.

## Career Prospects

Graduates of this program can pursue careers in various fields such as diplomacy, international organizations, governmental and non-governmental organizations, global business, and academia. Potential job titles include:
