BACHELOR OF BUSINESS ADMINISTRATION IN ACCOUNTING

Program Overview

The BBA in Accounting provides students with the essential knowledge and skills needed to effectively and efficiently perform accounting functions in businesses, public, and not-for-profit organizations both locally and internationally.

Professional Certifications

In collaboration with international professional bodies, Abu Dhabi University students will have the opportunity to seek membership with the Chartered Institute of Management Accountants (CIMA) or become Associate Certified Financial Consultants.

- Students will have to take only one exam to get the CIMA Diploma in Management Accounting, and later they will have the chance to apply for the CIMA Advanced Diploma in Management Accounting.
- Accounting and finance students can apply to become Associate Certified Financial Consultants (CFC) upon their graduation from ADU after gaining the required three years' experience.

Career Prospects

The BBA in Accounting offers many employment opportunities in different organizations, such as: banks, hospitals, insurance companies, auditing firms, retail firms, import-export companies, management consulting firms, utility companies, and public and government organizations.

Examples of accounting positions include: Assistant Accountant, Financial Manager or Executive, Accounts Payroll, Receivable and Payable, External Auditor, Financial Advisor, Management Accountant and Consultant, Governmental Accountant or Auditor, Bank and Financial Institution Accountant, and Internal Auditor.

Student's Testimonial

Azra Maliha

Abu Dhabi University's cultural diversity provides a great opportunity to enrich the knowledge and learning experience. ADU's College of Business has a very strong reputation in the UAE. The academic-focused traditional university environment is enhanced with creativity and innovation. With excellent faculty, effective teaching methods and professional career advising, I was able to graduate in only three years and also maintain a remarkable CGPA. The skills that I have gained through my degree will make me a productive and proactive employee, and take me a long way in my career.

BBA in Accounting graduates will be able to

- Communicate organizational topics effectively in written and/or verbal form.
- Elaborate key aspects of organizational sustainability in business environment.
- Apply analytical and critical thinking to specialized business problems.
- Employ information technology in solving business problems.
- Explore how organizations are influenced by the international environment.
- Apply the principles of teamwork and collaboration.
- Articulate theoretical knowledge of the functional and/or cross-functional areas of business.
- Apply accounting concepts, principles, standards, and processes to different types of organizations.
- Use appropriate accounting techniques for planning, decision making, and control within organizations.
- Evaluate the financial and managerial performance of organizations by analyzing its accounting information.
- Critically analyze accounting issues within ethical value frameworks while effectively communicating conclusions reached.

Faculty Profile

Prof. Sherine Farouk - Professor of Accounting

Prof. Sherine earned her doctoral degree from London Metropolitan University, UK. Prior to joining Abu Dhabi University, she held academic positions at the London School of Economics, UK, and the Arab Academy for Science and Technology, Egypt. She has also provided accounting training and consultancies to many organizations worldwide. Prof. Sherine teaches at both undergraduate and postgraduate levels at the College of Business and published multiple research papers in high impact academic journals in her area of discipline. She also serves as an associate dean of the College of Business.
