BACHELOR OF BUSINESS ADMINISTRATION

Program Overview

The BBA program provides students with the essential knowledge and skills needed to effectively and efficiently manage businesses, public, and not-for-profit organizations both locally and internationally.

BBA graduates will be able to

- Communicate organizational topics effectively in written and/or verbal form.
- Elaborate key aspects of organizational sustainability in business environment.
- Apply analytical and critical thinking to specialized business problems.
- Employ information technology in solving business problems.
- Explore how organizations are influenced by the international environment.
- Apply the principles of teamwork and collaboration.
- Articulate theoretical knowledge of the functional and/or cross-functional areas of business.

Student's Testimonial

Sara Kittaneh - Associate Auditor

I consider ADU as one of the greatest stations in my journey. It helped me to invest my time and energy through my studying years in various extracurricular activities such as: research, competitions, sports, and volunteering activities. I used to spend and enjoy my time at campus using the facilities available. I am very grateful for the professors who were mentors and supported me with their knowledge to identify my goals in the career path and reach them. As a business graduate I am very pleased that my BBA degree is accredited by AACSB and EQUIS which only 1% of business schools worldwide have this double accreditation.

Career Prospects

The BBA degree offers many career paths for BBA graduates include: Account Executive, Purchasing Agent, Administrative Analyst, Claims Representative, Insurance Underwriter; Management Consulting, Materials Management, Business Analyst, Account Manager, Administration Consultant, Project Manager, Contract Administrator, Production/Operations, Production Planner, Public Administration, Health Administrator, and Bank Officer.

Various types of organizations demand these types of professions. These include: banks, hospitals, insurance companies, manufacturing firms, retail firms, import-export companies, management consulting firms, utility companies, and public and government organizations.

Faculty Profile

Dr. Fauzia Jabeen - Professor of Management

Dr. Fauzia Jabeen is a Professor of Management at the College of Business at Abu Dhabi University. Prof. Jabeen is a prolific writer, with many published works on organizational behavior, gender studies, entrepreneurship, social responsibility, sustainability, etc., to her credit
