

Abu Dhabi University and UAE Space Agency Partner to Propel UAE's Space Strategy 2030

وكالة الإمارات للفضاء
UAE SPACE AGENCY

This partnership will:

Strengthen national capabilities in the space sector

Boost the UAE's economic growth and leadership in regional and global space industries

Promote ambitious scientific and technological projects

Support startups, facilitating knowledge transfer and localization

Advance joint research for innovative solutions to future space challenges

Empower Emirati students and researchers to participate in advanced projects
