

Empowering Inclusion and Change through Innovation: Aligning Higher Education with SDGs in the Digital Transformation Era

- **Overview:** This panel will discuss how higher education can leverage digital tools and innovative teaching methods to equip students with the knowledge and skills to address the UN's Sustainable Development Goals (SDGs).
- **SDG Alignment:** Aligning with SDG 4 (Quality Education) by equipping students with the knowledge, skills, and values needed to address global sustainability challenges. This panel will explore how universities can integrate SDG-focused education into their curricula, fostering critical thinking, problem-solving, and leadership for a sustainable future.
- **Objectives:** Explore innovative pedagogical approaches for SDG education, identify best practices for integrating SDGs into curricula, and discuss the role of universities in promoting sustainable development.
