

ACADEMIC SUCCESS COMMITTEE (ASC)

The Academic Success Committee is a subsidiary of the Strategy and Governance Committee and serves in an advisory capacity to the Provost and Chancellor. ASC provides strategic oversight of teaching and learning, program development and accreditation, research, innovation, and impact, student engagement and success, including employability and alumni relations. The ACS also advises on matters of pedagogy, student recruitment, retention, and satisfaction, student employability, alumni engagement, faculty development, knowledge transfer, and relationships with external academic stakeholders, locally and globally.
